

**Notification of changes
Higher Sciences**

Course Specification

Course Title	Level	Revised version number	Summary of changes	Date of change
Chemistry	Higher	2	<p>Page 7 – the Skills, Knowledge and Understanding section has been rewritten to better explain what is required.</p> <p>Page 8 – the Researching Chemistry Unit Outcomes have changed: Outcome 3 has been removed.</p>	Apr-14

Course Assessment Specification

Course Title	Level	Revised version number	Summary of changes	Date of change
Chemistry	Higher	2	<p>Page 2 – the number of marks awarded for the assignment has changed.</p> <p>Pages 5 and 6 – the descriptions of the skills to be assessed have been rewritten to better explain what is required.</p> <p>Page 7 – Conducting the assessment: this has been rewritten to clarify how stages will be assessed. Suggested timings for each stage have been removed.</p> <p>Page 8 –the details of the skills to be assessed have been rewritten for clarity</p> <p>Page 8 onwards – Further mandatory knowledge: these tables have been substantially revised to aid understanding</p>	Apr-14

Unit Specification

Course Title	Unit Title	Level	Revised version number	Summary of changes	Date of change
Chemistry	Chemical Changes and Structure	Higher	2	Assessment Standards 2.2 and 2.3 removed	Jul-14
	Nature's Chemistry	Higher	2	Assessment Standards 2.2 and 2.3 removed	Jul-14
	Chemistry in Society	Higher	2	Assessment Standards 2.2 and 2.3 removed	Jul-14
	Researching Chemistry	Higher	2	Page 1 - the 'Unit outline' section has been revised to give more information and reflect changes to Outcomes. Page 3 – the wording of Outcomes 1 and 2 has changed, while Outcome 3 has been removed. Page 3-4 – Evidence requirements – the text here has been updated to reflect the changes to Outcomes.	Apr-14

Unit Assessment Support for Higher

Course title	Unit Title	UAS Approach, Package Number	Revised version number	Summary of changes	Date of change
Chemistry	Chemical Changes and Structure	Unit by Unit package 1	3	Assessment Standards 2.2 and 2.3 removed; Assessment activity 3 removed; minor rewording of Recording documentation and Candidate guide	Jul-14
	Nature's Chemistry	Unit by Unit package 1	3	Assessment Standards 2.2 and 2.3 removed; Assessment activity 3 removed; minor rewording of Recording documentation and Candidate guide	Jul-14
	Chemistry in Society	Unit by Unit package 1	3	Assessment Standards 2.2 and 2.3 removed; Assessment activity 3 removed; minor rewording of Recording documentation and Candidate guide	Jul-14
	Researching Chemistry	Unit by Unit package 1	1.1	Page 3 - Overview of Assessment clarified.	May-14
	Chemical Changes and Structure, Nature's Chemistry, Chemistry in Society	Package 2: Combined approach	2	Assessment Standards 2.2 and 2.3 removed, assessment activities reworded, Candidate guide reworded, HoC table updated; P35 question 7b corrected	Jul-14
	Chemical Changes and Structure, Nature's Chemistry, Chemistry in Society	Package 3: portfolio approach	2	Assessment Standards 2.2 and 2.3 removed	Jul-14
